

Learning Contract

As a student in this course, I commit to:

1. Take risks
2. Work hard alone and with others
3. Take responsibility for my performance
4. Want and work to improve my performance
5. Prepare for every class
6. Fully participate, in person and online
7. Protect my attention from distraction
8. Be proactive, not passive
9. Ask for help early, rather than late
10. Be open to new situations
11. Use AI to strengthen my thinking, not to replace it
12. Be honest about when and how I use AI
13. Know the difference between having an answer and understanding it
14. Be willing to assess my performance
15. Respect that others' values may differ from mine
